Memory Verse: Psalm 139:13-14, NIV

*"For you created my inmost being; you knit me together
 in my mother's womb. I praise you because I am fearfully
 and wonderfully made; your works are wonderful,
 I know that full well."*

This Week: January 19 – January 24

This is the Week of Prayer for Christian Unity, when Christians celebrate our common belief in Jesus. The 2003 theme is "My peace I give you. . . not as the world gives. Let not your hearts be troubled..." (John 14:23-31)

The Lakes Area Ministerial Association invites everyone to the special Ecumenical Prayer Service, being led by the group from Ministerial (which included C.F.er Allan Schoenberger) who just returned from a pilgrimage with Food for the Poor. As they spend this week praying and working together, they ask you to join them in that same spirit of unity that guided them during their pilgrimage!

The church building is open for *Daily Prayer* weekday mornings from 6:30–8:00 A.M.

Diary of an Unborn Child

- DAY 1** Fertilization! All human chromosomes are present and a unique human life begins.
- DAY 22** The baby's heart begins to beat with the child's own blood -- often a different blood type than the mother.
- WEEK 6** At this stage, brain waves can be detected. The child's mouth and lips are present and fingers are forming.
- WEEK 8** At this stage, every organ is in place. Bones and unique fingerprints begin to form.
- WEEK 11** The baby can now have dream (REM) sleep.

Abortion Statistics: Not Just Numbers...

- ◆ Since 1973 there have been more than 40 million abortions.
- ◆ The annual number of abortions has nearly doubled since *Roe v. Wade*, from 744,600 to 1,365,730 for 1996.
- ◆ For every 1000 live births, there are 305 abortions.
- ◆ There are more than 140,000 second and third trimester abortions each year.

After reaching a high of over 1.6 million in 1990, the number of abortions annually performed in the United States has begun to drop back to levels not seen since the late 1970s. Thanks to the efforts of grassroots pro-life activists, more and more Americans have learned that abortion is not about a "blob of tissue," and that these children are more than just statistics. Pro-life education has taught America that *Abortion Stops a Beating Heart*.

I Am An American.

I am endowed by my Creator
with the inalienable right to life.
Just like you, and every other American.
You know who I am.
Now that you can see my face,
will you use your voice?
Please tell America.
I am an American, too.

30 years of denying this self-evident truth is long enough.
America, it's time to protect your children again.
