Brave

Food for the Poor Project Starfish builds houses for homeless families in Haiti. Collection boxes are being handed out in the local area churches today. Each family will receive a box, and the goal is to put in 50 cents each day now through August 20th. The cost to build a home is \$2,000 and we are hopeful that with the 20 churches participating, we can build 10-20 homes from the Starfish project.

A Peder Eide concert will be presented in the D.L. City Park on August 21st, sponsored by the Detroit Lakes, Hawley and Lake Park Ministerial Associations. Gene Huszcza, the Food for the Poor representative from Florida, will be on hand to count up all the money and donations received from the Project Starfish boxes and to announce the result during the concert. For more information, please contact Allan Schoenberger at 847-1023.
